

# CRANE FORKS

Transform your crane into a forklift. This easy-attach assembly needs no cables or pulleys, and the adjustable stop accepts 36", 40" and 48" pallets.

- Convenient built-in vertical post handles to guide forks into load.
- Self-shifting (spring-loaded) load-leveling pickup trolley keeps forks level when empty and maintains payload center of gravity.

# PRODUCT OPTIONS

## FEATURES

- Trolley accommodates up to a 5-ton hook.
- King post adjusts for load heights from 48" to 68".
- Adjustable stop accept 36", 40" & 48" pallets.
- Backstop helps stabilize load 40" wide.
- Forks spread up 40" wide (out-to-out).
- Minimum load of 500 to 750 lbs.

## SPECIFICATIONS

**CRANE FORK FRAME NOT SOLD WITHOUT A SET OF TINES. TWO TINE STYLES AVAILABLE.**

### GENERAL PURPOSE TINES

These forks are the best choice for handling a wide variety of materials. The 46" long forks are ideal for standard 48" pallets.

### BLOCK TINES

These forks can be used with other materials including brick (just slide the forks together), but are especially adapted for use with cubed or banded block.
