

HEAVY DUTY TRASH HOPPERS

The Star Industries Trash Hopper makes clean-up simple, fast and convenient. Designed for extendable reach forklifts, the hopper attaches easily with a simple pin locking system. The open face design allows unrestricted access making it easy to load and unload.

- Forklift places the hopper where it's needed — floor, elevated deck or roof
- Workers load trash as work progresses
- When the hopper is full, the forklift picks it up and carries it to the disposal area

PRODUCT OPTIONS

1430 Trash Hopper with end caps

1430 Trash Hopper with horizontal reinforcement

SPECIFICATIONS

- ➔ Fork pockets accept forks up to 2.5" thick x 7" wide x 60" long
- ➔ Durable 3/16" plate steel sides. Reinforced edges and corners for greater strength and rigidity
- ➔ Full length fork channels add strength to bottom and ensures the correct forklift pickup points
- ➔ 3' Chain & Locking Grab Hook secures the hopper to the carriage as a secondary safety measure

Model	Size	Volume	Max Load Capacity	Empty Weight
1420	5'W x 3'H x 5'D	2.7 cuyd	5,000 lbs	775 lbs
1425	5'W x 4'H x 5'D	3.7 cuyd	5,000 lbs	850 lbs
1430	7'W x 4'H x 5'D	5.0 cuyd	5,000 lbs	1015 lbs

Fork Pocket Size	Width	Length	Height	Center-to-Center
Pocket ends closed	7 3/4"	60"	3"	39"

FEATURES

- ➔ Simple and convenient
- ➔ Rugged, safe all-steel construction
- ➔ Easy-to-load with unrestricted front side access — directly wheel in barrows and buggies
- ➔ Universal fit suitable for all forklifts with a 'slip on forks' design
- ➔ 1430 Trash Hopper features horizontal reinforcement which provides additional strength to the hopper's extra wide capacity
- ➔ End caps are included along the front edge of the 1430 Trash Hopper to provide extra strength to the ends of the front edge
